**J2 MANAGEMENT CORP.'s LIMITED OBJECTION TO NOTICE OF (I) DEBTORS'  
INTENT TO ASSUME AND ASSIGN CERTAIN EXECUTORY CONTRACTS AND  
(II) CURE COSTS RELATED THERETO**

J2 Management Corp. and its subsidiaries, A. G. Simpson Automotive Inc., A.G. Simpson (USA), Inc. and Tiercon Corp. (formerly 1675389 Ontario Inc.) (collectively, "J2"), by and through its attorneys, Carson Fischer, P.L.C., hereby states its objection to the proposed assumption and assignment of executory contracts with J2.

**INTRODUCTION**

1. On June 1, 2009 (the "Petition Date"), General Motors Corporation ("GM") and its affiliated debtors (collectively, the "Debtors") each filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code.

2. Pursuant to Sections 1107 and 1108 of the Bankruptcy Code, the Debtors are continuing to operate their business and manage their property as debtors-in-possession. No trustee or examiner has been appointed in these Chapter 11 cases.

3. This Court has jurisdiction pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

4. On June 1, 2009, the Debtors filed a motion [Docket No. 92] (the "Sale Motion") seeking, among other things, (a) authority to sell substantially all of the Debtors' assets free and clear of all liens, claims and encumbrances, (b) approval of certain procedures for the solicitation of bids with respect to the sale and (c) authority to assume and assign certain executory contracts and unexpired leases in connection with the sale transaction.

5. On June 2, 2009, the Court entered an order approving the Debtors' proposed bidding procedures and establishing procedures for the assumption and assignment of executory contracts and unexpired leases [Docket No. 274] (the "Sale Procedures Order").

6. With respect to the assumption and assignment of executory contracts and unexpired leases, the Sale Procedures Order provides that the Debtors are to serve each non-debtor party to an executory contract or unexpired lease that the Debtors intend to assume and assign to the purchaser, a notice of assumption and assignment of executory contracts and unexpired leases (the "Assignment Notice").

7. Each Assignment Notice is to include an identification of the non-debtor party to the executory contract that is to be assumed and assigned along with the proposed cure costs. If the non-debtor party disagrees with the cure amount or the assumption and assignment, the non-debtor party may file an objection.

8. On June 8, 2009, J2 received the *Debtors' Notice of (i) Debtors' Intent to Assume and Assign Certain Executory Contracts, Unexpired Leases of Personal Property, and Unexpired Leases of Nonresidential Real Property and (II) Cure amounts Related Thereto* (the "Assignment Notice"), which indicates that Debtors intend to assume and assign Debtors' agreements with J2 (the "AGS Contracts") and propose a cure amount of \$2,350,903.35 (the "Proposed Cure Amount").

### **OBJECTION**

9. J2 objects to the proposed assumption and assignment of the J2 Contracts because the Proposed Cure Amount does not accurately reflect the amount owed by the Debtors to J2.

10. Section 365(b) of the Bankruptcy Code provides that a debtor may not assume an executory contract on which there has been a default, unless the debtor (i) cures the default or provides adequate assurance that it will promptly cure the default; (ii) compensates or provides adequate assurance that the debtor will promptly compensate the non-debtor party for any actual monetary loss caused by the debtor's default; and (iii) provides adequate assurance of future performance under the contract. See 11 U.S.C. § 365(b); In re U.S. Wireless Data, Inc., 547 F.2d 484, 489 (2nd Cir. 2008); In re Chateaugay Corp., 10 F.3d 944, 954 (2nd Cir. 1993).

11. The payment of cure claims strives to restore the debtor-creditor relationship to pre-default conditions by bringing the contract back into compliance with its terms. U.S. Wireless, at 489; In re Taddeo, 685 F.2d 24, 26-27 (2nd Cir. 1982).

12. Thus, in order to assume the J2 Contracts, the Debtors must cure all existing defaults.

13. Contrary to Proposed Cure Amount, the cure amount for the Debtors' defaults under the J2 Contracts is USD\$5,135,815.22 and CDN\$3,834,453.69. See attached **Exhibit A**.

14. If the Debtors intend to assume the J2 Contracts, the Debtors must pay J2 the aggregate of USD\$5,135,815.22 and CDN\$3,834,453.69, as cure costs for the Debtors' defaults under the J2 Contracts. Absent payment of USD\$5,135,815.22 and CDN\$3,834,453.69, the Debtors are not entitled to assume the J2 Contracts.

15. J2 expects that any differences between the Debtors and J2 will be able to be reconciled, but files this objection out of an abundance of caution due to the expedited deadlines and procedures for filing and service of objections and to preserve all of its rights related to the proposed assumption and assignment and the Proposed Cure Amount.

16. J2 reserves the right to amend, modify or supplement this objection and to provide any additional information or documentation as may be necessary to determine the correct cure amount under the J2 Contracts and expressly also reserves the right to assert additional objections to the proposed assumption and assignment, including with regard to the Proposed Cure Amount of the J2 Contracts, at any hearing on this objection.

**WHEREFORE**, based upon the foregoing, J2 respectfully requests that the Court condition the Debtors' assumption and assignment upon the payment of cure costs in the amount of the aggregate of USD\$5,135,815.22 and CDN\$3,834,453.69 and grant J2 such other and further relief as the Court deems just and proper.

Dated: June 12, 2009
